“We design and develop experiences that go beyond your expectations”

# Global Corporate Events Management

Exceed is a global corporate events management company specialised in creating bespoke events and memorable experiences. Based in the UK, we work with clients from around the world to produce events that exceed expectations.

We believe that strong relationships are vital to a successful collaboration, therefore our aim to provide a start-to-finish, seamless and stress-free delivery of events. Attention to detail, focus, trust, flexibility alongside well-established years of expertise operating worldwide is our solution to your success.

From conferences and award ceremonies to product launches and team-building initiatives, Exceed offers a comprehensive range of services to ensure your event is a success. We provide event management services from concept to completion, including venue sourcing, contract negotiation, onsite assistance, communication campaign, collaterals printing and design, audio-visual production, entertainment, and logistics.

**Regardless of the services you chose, our aim is to EXCEED.**

## Services

Exceed is a global corporate events management company specialised in creating bespoke events and memorable experiences. Based in the UK, we work with clients from around the world to design, produce and deliver corporate events that exceed expectations.

Our team of experienced and creative professionals is dedicated to creating and delivering events that truly stand out. We provide event management services from concept to completion, including venue sourcing, contract negotiation, onsite assistance, communication campaign, collaterals printing and design, audio-visual production, entertainment, and logistics.

### Project Management

Our event management starts at the creation and development of any scale events such as conferences, meetings, incentive travel, gala dinners or formal parties.

### Contract Handling and Negotiation

Contract handling and negotiation is an additional service that you may require when planning your event. It is particularly important when you are booking your venue as generally that will be the backbone of your event and usually the most expensive aspect. We include contract negotiation in our full event management service as both parties need to be happy when signing a contract.

### Budget Management

Budget preparation is an essential part of our event management. We understand how fundamentally important it is that we are able to predict, with reasonable accuracy, the final cost of your event.

### Global Venue Finding

With our knowledge and expertise we are able to find venues anywhere in the world. Our solution is to offer you a professional conference and event venue finding service including: hotels, conferences and training centres, historical houses, universities, museum and many more. All tailored to your requirements.

### Venue and Supplier Liaison

Detailed and thorough planning deliver successful events. We will work closely with you, the venue and our suppliers. Venue & supplier liaison include all necessary information such as: access timings, room layouts, AV requirements, event timetable, approved signatories, décor, menus and entertainment.

### Communication & Collaterals Design

We strongly believe that excellent communication is key, we deliver projects on schedule, on budget and aligned with your business objectives.

### Event Printing Materials

In addition to the day-to-day management of your event we can also offer Audio Visual, Entertainment & Décor, Print & Design, Transportation, Delegate Management, Diary Management and on-site delivery and assistance.

### Incentive Travel

We create unique incentive travel programmes around the world, tailored to your team, objectives, business goals and budget.

## Meet the CoreTeam Members
